Dear Mr. Scott Davis,

I would like to express my gratitude for your financial support through the 2013-2014 ISM - Fort Worth Scholarship. It is because of your generosity that I am able to focus on my studies and decrease the number of hours that I work during the week. I was very appreciative to learn that I was selected as one of the recipients of your scholarship.

I am currently a senior at the University of North Texas majoring in Operations and Supply Chain Management with a minor in Marketing. I chose this field of study because I have always been interested in the behind-the-scene dynamics of product flow in the supply chain. Upon graduation, I hope to be offered a supply chain analyst position with a great company where I can utilize my skills and contribute to a company's growth and development.

By awarding me the ISM - Fort Worth Scholarship, you have lightened my financial burden which allows me to focus more on the most important aspect of school, learning. Your generosity will help me succeed in my future endeavors and also give back to the community. Thank you again for your support.

Sincerely,
