ISM – Fort Worth Members

Greetings from the golf committee,

The 2016 golf tournament is September 26th and the golf committee is hard at work making final arrangements. We have sold all of our major sponsorships but we desperately need additional player sponsors through sales of Tee Sponsors (4 player), Green Sponsors (2 player) or Individual player spots.

We would very much like your help and to add a little excitement we are going to pay \$150 to the ISM-Fort Worth member that sells the most player spots between now and tournament day. We will double that amount for anyone selling a combination of sponsor spots totaling 8 or more players. You can team up with other members and share the cash or go it alone. One Tee Sponsor sale may be enough to win, sell it to your employer, a work contact or to a friend that owns a business. Once you get a commitment, contact Kay Lewis at 817-706-0885 to record your committed player or sponsor. ISM member player spots as well as any sponsors & individual player spots already committed can't be counted for the contest. Golf committee members are excluded from the contest. If necessary, ties will be broken with a drawing.

A copy of the tournament flyer, sponsor invitation letter and our July ad in the Fort Worth Business Press magazine are included for reference and your use in soliciting sponsors and the Tournament website link is provided below. Feel free to call Kay or any golf committee member if you have questions.

On Your Mark, Get Set, GO!
